WHY SUNDAY SCHOOL?

Sunday School is a spiritual "one stop" for the whole family! Lessons are geared toward specific age groups along with age-appropriate applications. It is a systematic way of teaching Scripture for all age levels. Sunday School is one of your families best tools for staying close to God, together.

When children learn the Bible over a period of years through meaningful repetition and teaching, they will absorb God's truth and discover what they need to know concerning salvation and spiritual growth. Sunday School teachers work to mentor your children and to guide them to understand God's Word. This is done in an environment of love along with play and fun. Making Sunday School a consistent part of your child's life will cause him/her to reap God's benefits and to establish healthy relationships with other children.

Adults need Bible study too! Small groups provide learning opportunities and a chance to get to know your brothers and sisters in Christ. Friendships made at Sunday School provide fellowship and ministries of caring. Sunday School encourages us to live by God's Word while in a loving community of believers.
